Magnolia MISSISSIPPI, Pike County Jail

This Jail is violating all my Constitutional
Rights. They do not do anything according
to the Law. The way we are being feed,

they have installed a charge in front of the only entrance way, No one can get in nor can we get out in case of a fire or other emergencies, our windows are covered shut with metal plates, we can not see any daylight, our showers are contaminated, the black mold is every where. We continue to complain but nothing is being done. I've been trying to get to the dentist for the past 9 months, but for some reason they not give to me I have yet to go!!! Our Vents Are Covered with dust our Venttal System does not work, People are constantly getting sick with no medical attention. The Jail Administration is not doing their job at all. The Care only about A Dollar!!! Something Needs to be done.

Thank You, Your Prompt Response is Greatly Appreciated.
